## Critical Compliance Insights for High Desert Builders

**Date** July 26 • **Time** 8:30 a.m. - 1:00 p.m. (Refreshments Provided)

**Place** Victorville City Hall – 14343 Civic Drive, Victorville, CA 92392

**RSVP to** [info@mojaveriver.org](mailto:info@mojaveriver.org) • **Questions** (951) 462-1106

Join us in a High Desert workshop for builders, developers and business owners to discuss implementation of post-construction requirements for low impact development (LID) approaches and best management practices (BMPs) for development projects. New compliance components will also be introduced at this event.

This workshop is hosted by the Mojave River Watershed Group—High Desert City and County staff working cooperatively to protect surface and groundwater in the Mojave River Watershed, and to meet the requirements of the Phase II Small MS4 Permit mandated by the California State Water Resources Control Board.
